

THE SPIRITUAL REALM
A Spiritual Understanding

- 
- **PAGE 1: THE SPIRITUAL REALM IS THE INVISIBLE DIMENSION CREATED BY GOD WHERE SPIRITUAL REALITIES EXIST BEYOND THE PHYSICAL WORLD. (2 CORINTHIANS 4:18)**
 - **IS THE WORLD THAT EXISTS WITH THE PHYSICAL WORLD WE ARE LIVING IN BUT IN THE REALM ONLY SPIRITS THAT ARE THERE AND FOR US MANKIND IN THE REALM WE ARE APPEAR AS SPIRITS TOO**

Page 2: God governs both the physical and spiritual realms. Everything seen in the natural world is influenced by spiritual activity.

But if you're a believer you can also govern the spirits and they will obey your commands because you're the visible part of Christ Lord and by that you're the visible image of God and all spirit knows God and even the demons know him because he's the source of living/energy and they tremble at the call of his name, you can have that all authority in Christ.

Page 3: Angels operate in the spiritual realm as messengers and servants of God, carrying out His will

Angelic beings operate in this Realm that's a reason we can see Angels with our naked eyes only with spiritual eyes given to us the father and this spiritual eyes can be activated everyone can use them to see beyond

Page 4: Darkness also exists in the spiritual realm, representing forces that oppose God's truth and righteousness.

***Page 5: Human beings are spiritual beings with physical bodies. The spirit is the true identity of a person.
that's a reason we are being attacked spiritually***

Page 6: God sees beyond physical appearance and looks at the heart and spirit of a person (1 Samuel 16:7).

Page 7: Prayer is a spiritual communication that connects humans to God in the spiritual realm.
